JUDGMENT GIVEN

Recovers Damages Amounting to \$70,000 From American Tobacco Company.

DEFENDANT TAKES APPEAL

Money Will Go to Creditors, and Real Plaintiffs Will Receive Nothing.

(Special to The Times-Dispatch.)
Raleigh, N. C., July 13.—Judgment
against the American Tobacco Company for \$70,000 and the costs in the
case was drawn this afternoon and
signed by Judge H. G. Conner, of the signed by Judge H. G. Conner, of the Federal court, in the suit of the Ware-Kramer Tobacco Company vs. the American Tobacco Company, in which the jury to-day returned a verdict for \$20,000 damages, finding that the American Tobacco Company is a combination in restraint of trade and that the business of the Ware-Kramer Company, independent cigarette manufacturers, was destroyed by unlawful acts of the defendant in the conduct of its business by the use of coupons, free goods, special inside secret discounts and other means.

The verdict for \$20,000 multiplies to \$60,000 under the provision of the Sherman anti-trust act that gives treble damages; also Judge Conner, under this act, taxes the counsel fees for

Sherman anti-trust act that gives treble damages; also Judge Conner, under this act, taxes the counsel fees for plaintiffs' counsel, allowing \$10,000 in this case. The American Tobacco Company gives notice of appeal.

Counsel for the plaintiff express great dissatisfaction at the amount of damages, and at first intimated a purpose to join in a motion by the defendant for the verdict to be set aside and a new trial ordered.

C. C. Daniels, for the plaintiffs, set out that the Ware-Kramer Company receiver is in debt \$10,000, and that all the \$50,000 verdict will go to the creditors, leaving nothing for the real plaintiffs. However, this afternoon, in chambers, plaintiffs' counsel signified their acceptance of the verdict.

The trial has been in progress for four and a half weeks, and the suit was for \$1,200,000. It is a notable fact that in the outcome of litigation neither Ware nor Kramer, who were the active business management of the ill-fated Ware-Kramer Company, will get anything out of the litigation beyond their witness fees, creditors coming in for all the damage assets. their witness fees, creditors coming in for all the damage assets.

Overcome by Gas in Well He Was Digging—Lightning Strikes House. [Special to The Times-Dispatch.] Williamsburg, Va. July 13.—Ned Harris, a colored well-digger, was as phyxiated in a well he was digging near Holdcroft, in Charles City 20unty, a few days ago, and was dead when taken from the well. He had covered the well the night before and upon entering next morning was soon overcome by the deadly fumes that had accumulated during the night. A Mr. Powers, who went to his rescue, was also overcome by the gas, but was restored to consciousness with difficulting a heavy sleating the might as the second of the control of the consciousness with difficulting a heavy sleating the might.

also overcome by the gas, but was restored to consciousness with dimiculty.

During a heavy electrical storm that passed over this city and section yesterday afternoon, a bolt of lightning struck the chimney at the residence of R. E. Gatewood, on Stage Road Avenue, entered a room and tore a telephone from the ball. There was an explosion in the room, but no turther damage was done than to frighten Mr. Gatewood. In the same storm lightning struck a large walnut tree by the roadside as Mayor F. W. Warburion was passing in his automobile. The bolt splintered the tree and tore across the road, digging a trench a foot deep almost under the wheels of his machine. There was a loud explosion, which so frightened Howard Wynkocp, who was in the machine, that was making twenty miles an hour at the time, jumped, but was not injured. So close was the machine that it was filled with dirt. The occupants believed that the gasolene tank had exploded.
